Simpsonwood Conference Center

We will be meeting at the Simpsonwood Conference Center nestled among over two hundred wooded acres along the Chattahoochee River in Norcross, Georgia. The Simpsonwood facilities provide us with everything we need for our gathering, so we can be together on the conference grounds the entire weekend. Visit their website, www.Simpsonwood.org to see this beautiful conference center.

God has called us not only to meet **“Face to Face”** with Him during our extended times of worship and ministry, but also to meet **“Face to Face”** with each other. In these increasingly significant days, it is crucial that we build **strategic relationships** and alliances for the work of the Kingdom of God. Having the opportunity to eat all of our meals together in the dining room gives us more time to build those relationships.
